

Carbon Dioxide Research Association, 1952-1954

Symposium on Carbon Dioxide Therapy
Published under the auspices of the Carbon Dioxide
Research Association, Inc.

CONTENTS:

INTRODUCTION	3
CARBON DIOXIDE TREATMENT AND MODIFICATIONS	
<i>Modification of Carbon Dioxide Treatment Using Nitrous Oxide</i>	4
L. J. Meduna	
<i>Rapid Coma Technique of Carbon Dioxide Inhalation Therapy</i>	10
Albert A. LaVerne	
<i>Carbon Dioxide Convulsion Treatment</i>	13
A. I. Jackson	
<i>Paralysis in Rapid Coma Technique of Carbon Dioxide Inhalation Therapy</i>	17
Albert A. LaVerne	
<i>Practical Method of CO₂ Administration—Zelig Selinger</i>	23
FURTHER CONSIDERATIONS CONCERNING CARBON DIOXIDE INHALATION TREATMENT	
<i>Carbon Dioxide Inhalation Therapy</i>	24
Albert A. LaVerne and Morris Herman	
<i>A Geomorphologic Analysis of Reactions Under CO₂ Treatment</i>	27
L. Douglas MacGee	
SPECIAL CONDITIONS TREATED BY CARBON DIOXIDE	
<i>Treatment of Epileptics with Carbon Dioxide</i>	30
Anna May Smith	
<i>Carbon Dioxide Maintenance Therapy in Neuritis and Alcoholism</i>	31
Albert A. LaVerne and Morris Herman	
STANDARDIZATION AND EVALUATION OF RESULTS	
<i>Standardization of Carbon Dioxide Treatment</i>	33
Robert E. Peck	
<i>A Nervous Index</i>	37
A. I. Jackson	
OFFICE OF MEMBERSHIP	39

This symposium was conducted at the meeting of the Carbon Dioxide Research Association, Inc. held at Atlantic City, N. J., May 19th, 1952. The articles in this Symposium appeared in *Reviews of the Nervous System*, Vol. 24, 1952.
